**Report of Principal and School Improvement Council**

With the valuable assistance from the staff and the School Improvement Council, this report has been developed to share with you our challenges and our successes. To address our concerns in the area of reading, we implemented the coherent curriculum and provided trade books for all students throughout the year and during the summer in order to help build home libraries and promote reading. During the school year, we used the Voyager Reading Program, students participated in the Primary Grades Reading Academy, and teachers used Scholastic Leveled Readers to strengthen basic reading skills. Primary teachers were trained in Wilson's Foundations and the district's Literacy Pathways Guide which is a companion to coherent curriculum for effective balanced literacy strategies. We also continue to utilize Reading Soul Mates and home reading programs as school-wide initiatives and we hired an elementary reading interventionist to work with our elementary grade students that scored in the bottom quartile on the MAP test. In order to close the achievement gap in math, our teachers received continuous training in our new math series which aligns the state standards to our curriculum. Teachers also participated in four math trainings, "Beyond the Classroom". Teachers were trained how to strengthen their students' mental math abilities and how to use math manipulatives. To help our students improve their writing skills, teachers received training in the Write Traits + 1 Model, which is implemented across the curriculum.

In addition to implementing the strategies described above, Ellington was assigned a professional development coordinator to work with the staff on a regular basis. The primary responsibility of the coordinator is to help teachers analyze data, plan instruction, implement the coherent curriculum, develop common assessments, and provide professional development. Finally, the teachers are provided with methods and strategies that are based on scientific research. We are confident that our students will continue to show gains on the state assessment due to our instructional focus and our rigorous staff development opportunities that are conducted throughout the year.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>75.9</b>
<b>Overall Grade Conversion</b>	<b>C</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

E. B. Ellington Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
